

Gulf Coast Elder Abuse Conference

June 26-27, 2017

Class List

The attached pages contain the class list for the Gulf Coast Elder Abuse Conference to be held June 26-27, 2017 in Slidell, Louisiana. This list was developed to help you select the classes you want to attend during the registration process. As you register you will be selecting your classes, and by reviewing this list in advance it will simplify the process.

The list is configured for with the different days on different pages. The Day 1 list has asterisk notation of classes from that will be repeated on Day 2. By repeating some classes it opens up the schedule for 2-day attendees and gives 1-day attendees more flexibility in selecting classes.

The blocks of color are designed to group together all the classes taught at the same hour. This will assist in avoiding class-hour conflicts during the registration process; please note the registration system will not allow you to schedule two classes at the same time.

Due to space limitations for printing, the breaks are not listed; however there is a 15 minute break after each class except the class immediately before lunch.

The columns at the end of each row are designed to show which classes have been submitted for continuing education credits by the various agencies. The continuing education authorization organizations are listed below for clarity:

ANCC *

NASW *

NBCC *

CCMC *

ABA-ICB *

LAPT BOARD

LA BAR ASSOCIATION

*Nationally Recognized
