

## **Attendee E-mail: Conference Re-scheduling to 2022**

We have been closely monitoring the development of the COVID 19 surge locally and nationally. We communicated with the faculty, registrants and others with an interest in the event, and we have determined that we will cancel the American Elder Abuse Conference scheduled for September 27-29, 2021. Accordingly the event is re-scheduled to occur May 2-4, 2022 at the Harbor Center in Slidell, LA. We hope to use the same class list and structure, with modifications as necessary to adjust for schedule and faculty changes.

There will be questions regarding the status of your registration, so we are trying to anticipate them in this email.

### **Paid Registrations:**

You may either request a refund or you may choose to leave your registration in place. If you leave your registration in place, there will be no increase in your registration fees in 2022. If, however, you request a refund, your registration will be cancelled for 2021 and you will have to re-register in 2022. You should anticipate that there will be a change in the fee structure in 2022 and that could mean that your cost to register will increase.

### **Unpaid Registrations:**

If you have registered but your fees have not been paid, your registration will be cancelled if payment has not been received by August 31, 2021. Registrations paid by then will be treated the same as payments currently paid, and the options for next year will be the same as those who have already paid (see **Paid Registrations** above).

Registration for 2022 will open about February 1, 2022.

We are sorry to have to re-schedule again, and we thank you for your understanding and support.

Please stay well, and watch for future communications about the 2022 conference.

It is extremely important that we receive a confirmation that you have gotten this notice, so please **REPLY** to this email immediately.

**THIS NOTICE WILL BE POSTED ON THE CONFERENCE WEB SITE REGISTRATION PAGE:**
